The Messenger

"If one advances confidently in the direction of his dreams, and endeavors to live the life which he has imagined, he will meet with a success unexpected in common hours." ~ Henry David Thoreau

Gardens in Sun City Center. We hope to receive donated trailers that will allow us to have a mobile food pantry to go with our mobile classes.

With the intention of serving more of our neighbors, we are excited to be starting all levels of the Adult Education classes at various remote locations in the surrounding communities this fall. After much prayer and counsel, we feel that we can be a more effective ministry by taking our program to the people right where they live.

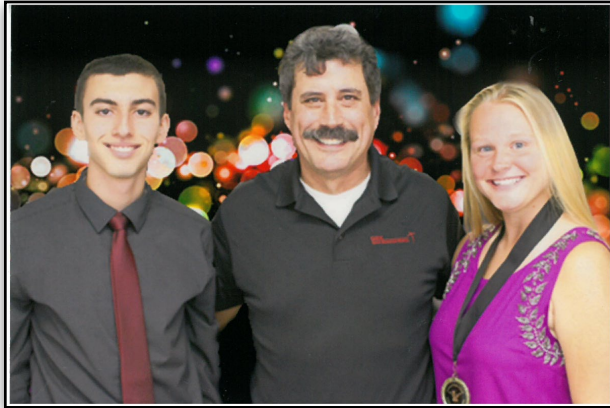

Transportation is a significant issue for the population that we serve and by expanding our offerings we will be able to "go to them".

Currently, we are planning to add outreach at Balm Baptist Church in Balm, Ana's Restaurant in Wimauma, and Aston

Summer Enrichment Program

With the help of dedicated church partners, Good Samaritan Mission was pleased to offer Summer Enrichment Programming for the entire month of June. From June 5 – June 30, we offered free enrichment programming for elementary school aged children. The mornings consisted of Vacation Bible School programming and after lunch there were additional fun learning activities designed to help the children succeed in school. We would like to thank Faith Baptist Church (New Port Richey), Christ Church (Lexington, Kentucky), The Bible Fellowship (Wimauma), and Grace Community United Methodist Church (Lithia) for partnering with us and providing this service to the children of our community.
