The Messenger

"We keep moving forward, opening new doors, and doing new things, because we are curious and curiosity keeps leading us down new paths." ~Walt Disney

Funny thing happened on the way to work the other day. I noticed the landscape surrounding us was abounding with **For Sale** signs. Bird sounds are muffled by the pounding and rolling of heavy machinery. Orange vests and cones are sprinkled here and there, on the roads, on the curbs, on the construction sites.

"Progress is coming," a local builder told us. "And, you can't stop progress."

When we started this ministry, we strategically established it among the original target population, in the fields. Now, 33 years later, we see that the needs have changed.

Unlike Disney, we are not motivated by "curiosity," but by a belief that God is leading us in this new direction. And this is where you come in. You can be part of this groundbreaking effort to spread God's

message of reconciliation and restoration to our community. We now have room for even more volunteers, more teachers, more champions, all of us answering the call together. Are you in?!

What a great opportunity!

How will we respond to this?

Because of you, we will:

- Sell the spacious property we have,
- Move the office to a more convenient location,
- Conduct the GSM classes at churches, businesses, and organizations, forming strong partnerships, working together for the common good,
- Boldly move outside of our fenced-in area and into the community at large, expanding our outreach to an even bigger and more diverse population.

Our 6th annual fundraiser, Harvest Blessings, is being held November 9th, 2017. We are looking for new partnerships to achieve our goal of expanding the scope of our ministry.
